VIRKON S

A photograph of two glass bottles on a dark lab bench. The bottle on the left contains a dark, viscous liquid and has the word 'Phenol' written in white script. The bottle on the right contains a white, opaque liquid and has the word 'Cresol' written in purple script. The background is a blurred laboratory setting with a person and equipment visible.

*Phenol*

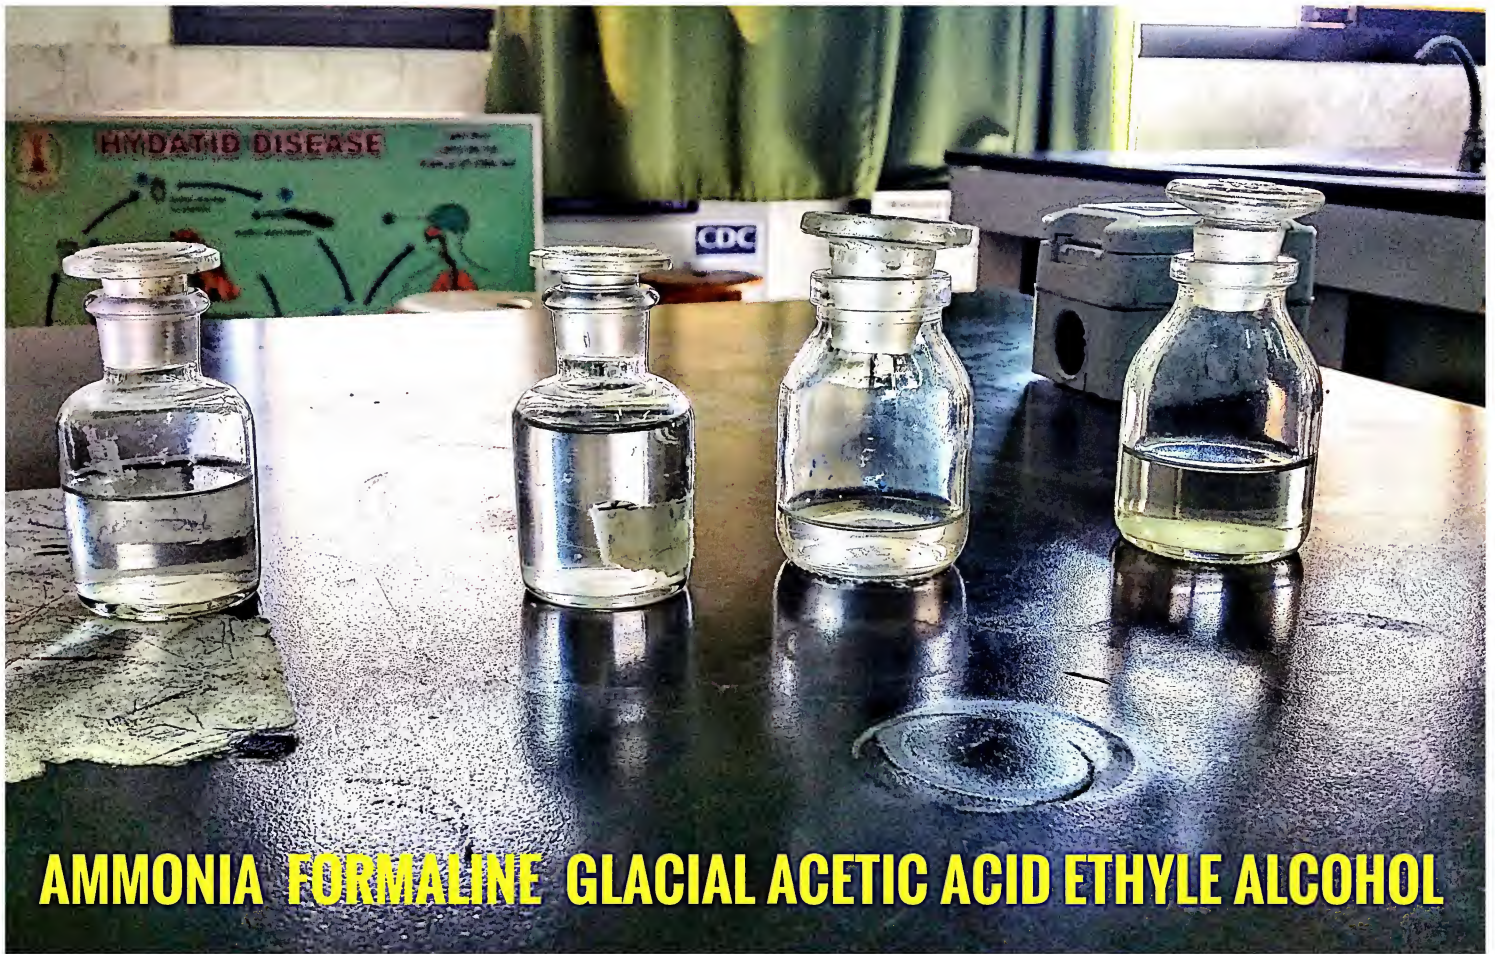

*Cresol*

# IODINE

**AMMONIA    FORMALINE    GLACIAL ACETIC ACID    ETHYLE ALCOHOL**
